

Trainee Swimming Teacher

A growing swim school is looking for a people with a passion for teaching and in interest or experience in swimming or other aquatic disciplines to train to be a qualified swimming teacher.

The Successful Individual will be expected to work with a number of teachers from either poolside or in the water supporting and learning whilst they get their qualification – once they have their qualification they will be given their own classes – and given support as and when needed to continue their professional development.

This is an Employed position and will require regular teaching hours during term time. Additional hours will be available during Intensive courses in holidays.

The position would require a commitment of a minimum of 2 teaching shifts per week.

The position will include, but is not limited to:

- Assistant and Teaching group classes and Private lessons to a high standard and allowing improvement for all swimmers
- Assessment of swimming and badges/attainment recorded
- Liaise with office to any swimmers who are not progressing or are continually absence.
- Act professionally and within guidance with colleagues and parents.
- Assisting with parties, aquafit, and other aqua disciplines where needed and qualifications allow.
- Liaising with customers, teachers and pool owners and coordinators poolside when needed
- Supporting colleagues to set up, keep poolside tidy and close up for each shift.
- Any other duties required which are relevant to assisting and teaching.

Teaching Courses cost would be covered by Crest, but we are unable to pay you for the hours you will complete the course – just hours worked in assisting/teaching.

Lifeguarding/lifesaving course would need to be covered by the individual.

Pay would be on an increasing scale dependant on previous experience and journey through your qualification

If you wish to discuss the job further please contact Kelly on 07557 374013.
